LOCKSMITH

(FACT SHEET)

Locksmith Company and Locksmith Employees

Requirements for Licensure

A locksmith operates a business that installs, repairs, opens or modifies locks, or that originates keys for locks. (An individual who simply duplicates existing keys is not considered a locksmith.)

An individual, partnership, or corporation seeking a license as a locksmith must specify in the application the individual who will manage the business on a day-to-day basis. (An owner, partner, or corporate officer may serve as the manager, or may hire someone to fill this role.) In order to obtain the company license, *each* individual applicant, partner, or corporate officer *must* undergo a criminal history background check through the California Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) to be evaluated on an individual basis.

To apply for a Locksmith Company license, submit the application for licensure along with a \$75 application and license fee, two recent passport-quality photographs and a Locksmith Company Live Scan form signed by the Live Scan Operator. A \$32 DOJ fingerprint processing fee and \$24 FBI fingerprint processing fee *must* be paid at the Live Scan site for *each* applicant, partner and officer. Send your application package to the Bureau of Security and Investigative Services, P.O. Box 989002, West Sacramento, CA 95798-9002.

A copy of the Locksmith Act is available through this link: http://www.dca.ca.gov/bsis/locksmith_law.htm

For a license under a fictitious business name, the application shall include a certified copy of the fictitious business name statement filed with the County Clerk. Send the application package to the Bureau of Security and Investigative Services, P.O. Box 989002, West Sacramento, CA 95798-9002. You will receive a copy of the Locksmith Act with your license.

Note: If the company performs work at a single site that exceeds \$500, a contractor's license is also required (C-28/C-61/D-16). For more information, contact the Contractors' State License Board at (916) 255-3900 or (800) 321-2752 or visit their Web site: www.cslb.ca.gov.

Note: Local government may require a business permit.
